MM Docket No. 96-15

In the Matter of

Amendment of Section 73.202(b), RM-8748
Table of Allotments,
FM Broadcast Stations.
(Barron, Wisconsin)

NOTICE OF PROPOSED RULE MAKING

Adopted: February 5, 1996; Released: February 28, 1996

Comment Date: April 22, 1996

Reply Comment Date: May 7, 1996

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed by Barron Broadcasting Corporation ("petitioner"), seeking the allotment of Channel 256A to Barron, Wisconsin, as that community's first local FM broadcast service. Petitioner provided an engineering study in support of the proposal and indicated it would apply for Channel 256A at Barron.¹

2. We believe the proposal warrants consideration because the proposed allotment would provide a first local FM service to Barron, Wisconsin. Channel 256A can be allotted to Barron consistent with the Commission's Rules without a site restriction.² Since Barron is located within 320 kilometers (200 miles) of the U.S.-Canadian border, concurrence of the Canadian Government will be requested for this allotment.

3. In view of the fact that the proposed allotment would provide a first local FM service to Barron, the Commission believes it would serve the public interest to solicit comments to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

	Channel No.	
Community	Present	Proposed
Barron, Wisconsin	---	256A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **April 22, 1996**, and reply comments on or before **May 7, 1996**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, as follows:

Steve T. Moravec
Barron Broadcasting Corporation
1707 Sumner Street, Suite 200
St. Paul, Minnesota 55116-2645

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Kathleen Scheuerle, Mass Media Bureau, (202) 418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in this proceeding.

¹ Although petitioner's request indicates that the original copy of its proposal was signed, it failed to include an affidavit verifying that the statements contained in its petition were accurate to the best of its knowledge. Section 1.52 of the Commission's Rules requires that the original of any document filed with the Commission by a party not represented by counsel shall be signed and verified by the party and his/her address stated. In the absence of such verification, the petition may be dismissed. Section 1.401(b) of the Commission's Rules concern-

ing rule making proceedings places petitioners on notice that their proposal must conform with the requirements of Section 1.52 regarding subscription and verification. See also *Amendment of Sections 1.420 and 73.3584 of the Commission's Rules Concerning Abuses of the Commission's Processes*, 5 FCC Rcd 3911, n.41 (1990). Petitioner is requested to rectify this omission in its comments.

² The coordinates for Channel 256A at Barron are 45-24-00 and 91-51-12.
